User Manual – How to activate VAG SGW on your Device

*8

 \mathbf{L}

- 1. Open the main menu on your device.
- 2. Press on More at the bottom right corner

- 4. If you have already registered on the SGW Platform, proceed to point 5. Otherwise, please register on the SGW Platform (user authentication) first then continue with point 5.
- 5. Now enter the card number and activation code you got, and confirm by pressing Confirm.
